

# Personal Testimony

Dan grew up in Kenosha, WI and attended the Baptist Tabernacle Church (Baptist General Conference). His dad was a High School math teacher and his mother was a stay-at-home mom, raising their four boys. During the summer months, Dan's mom went to Bible camp to volunteer as camp cook. Since Dan was the youngest of the boys, he would always accompany his mother. Raised at camp for three months out of the year, Dan was exposed to many of the great camp speakers of his time. He loved camp life and looked forward to these times.

At the age of ten, Dan was attending Solid Rock Bible Camp in Cushing, MN with his mother. It was here that Dan acknowledged his need for forgiveness of his sins and accepted Christ as his personal Savior. At the age of eighteen, Dan went back to Solid Rock Bible Camp to be baptized by the gentleman who led him to the Lord. Baptism was significant to Dan as it made a *public* commitment of his intent to follow Christ with his whole life.
